# Oils Collection

Lookbook  
SS'26

## OILS

The Oils collection is a series of oil paintings inspired by the texture and intensity of wild felines.

Created by Maria in three sessions at Ateliê Canal, under the guidance of artist Andreia Falqueto, these works capture more than just forms and colors; they evoke tactile sensations, the unmistakable scent of oil paint, and deep memories.

The creative process conjured in Maria a nostalgic recollection of her childhood in her grandmother Themis's studio, where art came alive with every brushstroke.

Oils also reflects the maturation of femininity and the mysterious power of felines—symbolized in their stature, piercing gaze, and natural elegance.

The name of the collection, while referencing the technique used, also celebrates Maria's fascination with the eyes of these creatures, which have become the focal point of her paintings.

Amidst texture, emotion, and ancestry, Oils is an ode to the silent strength and untamed beauty of nature and womanhood.
